### **Glen Cove Mansion Hotel and Conference Center Announces**

### **“Great Value Meeting Package”**

***CMP PLUS A Massage & Private Dinner – all for Price of NYC Hotel Room!***

**Glen Cove, New York**, January 2008 ... The award-winning Glen Cove Mansion Hotel and Conference Center announces the new “Great Value Meeting Package” for winter 2008. For the price of a hotel room in New York City, on average, each conference guest can secure ALL the benefits of a Complete Meeting Package, comprehensive meeting support services, deluxe lodging, superb dining, PLUS a complimentary 1-hour massage and a private dinner upgrade! Glen Cove Mansion is set on a 55-acre Long Island estate – just 30 minutes from New York City by car and train.

Glen Cove Mansion Hotel and Conference Center offers a legacy for corporate meetings unlike any other conference center hotel in the United States. It was one of the very first dedicated meeting properties in the United States when converted from a Long Island Gold Coast mansion to the award-winning hotel and conference center it is today.

Glen Cove Mansion offers all the meeting services and benefits guests have come to expect of a first-rate, IACC\*-approved conference center hotel. This includes the Complete Meeting Package, and an efficient and productive meeting environment that emphasizes individual service, excellent food & beverage, high quality hospitality and comprehensive fitness amenities, a luxurious setting and accommodations, superb service, and dedicated meeting facilities -- a true specialization in accommodating productive conferences.

Since all work and no play makes for a dull conference, Glen Cove Mansion’s “Great Value Meeting Package includes special leisure activities for each meeting guest and for the group as a whole. Each conference attendee will receive a complimentary 1-hour

massage -- and the meeting group is provided a complimentary upgrade to one of Glen Cove Mansion's signature private dinners, such as the Long Island Clam Bake or "Taste of New York" buffet.

Since Glen Cove Mansion is so close to New York City, those who wish to venture into Manhattan for a Broadway Show can easily do so -- the Glen Cove Train Station -- made famous in Audrey Hepburn's classic film, *Sabrina*, is close by. The Long Island Railroad transports guests directly to Pennsylvania Station in Midtown Manhattan.

Those wishing to explore the nature and exquisite all-season beauty of Long Island's historic Gold Coast are perfectly situated to enjoy Long Island Sound (visible from the Mansion), scenic beaches, quaint villages, historic house museums including President Teddy Roosevelt's mansion - Sagamore Hill, the world-class Planting Fields Arboretum, and more.

Glen Cove Mansion's "Great Value Meeting Package" is from \$319\* per person, per night and includes ALL the amenities, benefits and services indicated, including a 1-hour massage for each guest and a complimentary private dinner upgrade -- all that for the price of an average New York City hotel room!
